A great team find A WAY TO INSPIRE

Meet our Campers

The initiative aims to create ideal conditions for composers, lyricists and music producers to develop **freely** and **calmly** in an appropriate **spiritual, intellectual** and technical environment. The **CAMP** is an **opportunity** for artists that take them out of the usual **"everyday life"** and embedded in an inspiring and *creative* place where the creative process reaches the **highest level**.

The mission statement of the organisers
powered by SEESC

Talented songwriters, topline writers, lyricists, and music producers working together in person for three days.

KASPARS ANSONS

PRODUCER, SONGWRITER

Accomplished music producer and songwriter hailing from Latvia. He has made a name for themselves in the local music scene. Their talent has been recognized with numerous awards, including several for Best Song and Best Radio Hit and produced songs for the Eurovision Song Contest (ESC) not once, not twice, but three times!

DANA BURKHARD

SINGER, SONGWRITER

I love to write songs with and for other people. Songwriting has always been like therapy for me, so collaborating and inspiring each other in this intimate process is one of my favourite things. With my artist project DANA, I recently released my debut album, for which I got nominated for a Swiss Music Award.

VINKO ČEMERAS

SINGER, SONGWRITER

Generally, I'm a fan of alternative music styles; I try to create that kind of music in my songwriting world. I won The Voice 2019 in Croatia. Since that moment, I started working on writing and making music, which led me to enjoy the process of creating songs. I'm looking forward to visiting your camp; I'm eager to learn in writing and creating.

KRISZTIÁN CSAPÓ (KRIZ)

SONGWRITER

Jazz trombonist, composer, and keyboardist. After graduating from Ferenc Liszt University of Music, he worked as a member of American and British theatre orchestras. On his solo project KRIZ, he collaborated with excellent musicians such as Gergő Borlai, Hadrien Feraud and Ryan Quigley. In addition, he contributed to the music of several films and series (e.g., Squid Game)

PÉTER DÓCZI (TOWPE)

PRODUCER, SONGWRITER

Towpe: The Ones With Pale Eyes. The genre I work in has been called many different things; I think "psychedelic pop" is the most exciting. For me, making music is more about the instrumentals and overall fundamentals rather than the lyrics; however, that also interests me a lot. Making music can be a very spiritually healing experience, and it can guide you through many bad/good things mentally.

LEVENTE FEGYVERNEKY

SINGER, SONGWRITER

If one creates honestly, he pays only attention to the inner voices. It is not disturbed by the noise of the world outside, and it does not seek the truth of others. It does not want to be understandable or exciting; it simply allows the music that resides in it to break out. My name is Levente Fegyvernek, and I do trip-hop.

She combines emotional melodies of singing with fun, catchy rap verses in an energetic yet smooth performing style. She recorded an EP there in the famous Patchwerk Studios during her stay.

SIEJKA JEREMI

PRODUCER, SONGWRITER

I'm a 21-year-old music producer from Poland. My journey with music started when I was attending music school, and then I slowly started to make music in my bedroom, but when more clients began to come, I built the studio where I work now. We work fast, and sometimes we even do a few song demos during our songwriting session. My strengths are composing and producing, and singing melodies. Funny, it's easier for me to write lyrics in English than Polish. So we always do demos this way. I also put out my music as Questy.

TOM LOBB

PRODUCER, SONGWRITER

Producer, sound-engineer, songwriter and artist from Slovakia. I have worked in the LVGNC studios for 11 years as a sound engineer and later as a producer. I work daily at my own Beyond Music Studio. I play the guitar for 15 years. I'm the lead singer and keys player in the band LUVVER. For the last few years, I mainly focused on producing pop songs. I love exploring all genres, out of my "comfort" zone. :)

CHRIS MEDINA

He is an international recording and performing artist from Chicago based in Oslo, Norway. In late 2010 he auditioned for American Idol. He is most famous for his hit "What Are Words", which reached Nr. 1 in Sweden and Norway. In 2019 Medina was announced as a candidate to represent Norway in the Eurovision 2019 in Tel Aviv, Israel. His song "We Try" was in the Melodi Grand Prix alongside nine other acts.

TAMARA NIŽŇANSKÁ

SINGER, SONGWRITER

I started making music when I was 23, with the help of my colleague and Bandmate Jergus Oravec. Together we formed THE YOUNIVERSE and have succeeded on the local scene and the CZ/SK festival circuit. We released 1 EP, one critically acclaimed LP titled CMYK, and 17 music videos to date. We have been nominated for numerous local awards and won Artist of the Year and Singer of the Year in 2020. Instead of using my hands to play songs, I use my mind and imagination to create them. All I need is a good pen and some blank paper.

OLIVÉR PATOCSKA

SINGER, SONGWRITER

My name is Oliver, aka OliverFromEarth. I am a singer-songwriter, lyricist.

Writing the words and the topline is my thing during the camp. I am pretty shy and won't throw in every idea that pops up in my head; I prefer to wait for the right ones.

I love to work on group projects.

Please keep me away from any sweets cause I crave sugar.
